The enrollment data must be received within 31 days of a Subscriber or Dependent's enrollment. The enrollment data must include the Subscriber's address, gender, social security number, date of birth, and member effective date. If the Subscriber chooses to enroll Dependents, each Dependent's name (including surname if different from Subscriber's), relationship to the Subscriber, address, gender, Social Security number, and date of birth must be submitted.

- A Subscriber not enrolled in the Plan may not enroll Dependents.

b) **ENROLLMENT TYPE.** The Group's enrollment type is Open Enrollment. A Subscriber who fails to enroll within the period described in Article I, Section 1.01(a) may enroll at the next Open Enrollment.

c) **MAINTAINING COVERAGE.** The Group will give Delta Dental a list of any Plan additions, changes, or terminations on or before the first day of each month. Delta Dental is not required to provide Benefits for a Subscriber or Dependent not on the list or for whom the monthly Premium is not paid.

**1.02 SUBSCRIBER ELIGIBILITY (OPEN ENROLLMENT).** Subscribers may enroll within 31 days of the date they first become eligible.

a) Eligible Subscribers who do not enroll as described above may enroll during Open Enrollment. Eligible Subscribers who enroll and later drop the Plan may enroll only during Open Enrollment.

b) Eligible Subscribers who lose coverage through another source may enroll with proof of loss. (Loss of coverage is defined as loss due to death, divorce, job loss, or termination of benefits by the employer.) They must enroll within 31 days of the loss of coverage.

**1.03 DEPENDENT ELIGIBILITY (OPEN ENROLLMENT).** Dependents of an eligible Subscriber may enroll within 31 days of the following:

- The date the Subscriber becomes eligible to enroll. The effective date is that of the Subscriber.
- New Dependents must be enrolled within 31 days and will be covered the first of the following month. Newborns and adopted children will be covered on the date of birth or date of placement for adoption.

If coverage ends during an employer-approved FMLA leave, coverage may be reinstated upon return to work within the terms of the FMLA leave. Pre-existing conditions, limitations, and other waiting periods will not be imposed unless they were in effect for the Subscriber and/or his or her Dependents when coverage terminated.

**1.05 INVOLUNTARY LOSS OF COVERAGE DUE TO STRIKE, OR LAYOFF.** If

a Subscriber loses coverage due to strike, or layoff and returns to work within six months, he may re-enroll on the first day of the month after his return to work. If the absence exceeds six months, he will be treated as a new Subscriber. Contract provisions relating to the Deductible, Coinsurance, Contract Year Maximum, and Waiting Periods, if any, will apply as to new coverage. The following exception applies:

Delta Dental of Colorado complies with the Uniformed Services Employment and Reemployment Rights Act (USERRA). Subscribers called to active duty may enroll as if there had been no leave of absence if they are still in an Eligible Class of Subscriber when they return to work. **1.05a LEAVE OF ABSENCE (non-USERRA).** If a Subscriber is on an approved leave of absence for more than nine months, their coverage as an active Subscriber will terminate at the end of the ninth month of leave. ## ARTICLE V. MEMBER PAYMENT RESPONSIBILITY

To receive any benefits under This Plan, a Member must pay Deductibles and Coinsurance. Members will also be responsible for paying amounts above the annual maximum, Service-related maximums, and all charges for Services not covered under This Plan. Members may also be responsible for some part of the premium as determined by the Group.

## ARTICLE VI. CLAIMS PROCEDURE (How to File a Claim)

- 6.01 PAYMENT OF CLAIMS.** Covered Services will not include, and payment will not be made for claims for dental Services not listed in this Contract and any appendix, amendment, or rider. Claims submitted to Delta Dental must use terms of the American Dental Association Current Dental Terminology (Code on Dental Procedures and Nomenclature).
- 6.02 PRE-TREATMENT ESTIMATE.** Before beginning a course of treatment, a description of that course of treatment may be submitted to Delta Dental. Delta Dental will provide an estimate of the benefits for the planned course of treatment. Delta Dental does not require pre-treatment estimates. However, Delta Dental offers this Service in order to allow for treatment planning.
- 6.03 CLAIMS FROM NON-PARTICIPATING PROVIDERS.** Payment for Completed Covered Services from a Non-Participating Provider will be based on the Non-Participating Maximum Plan Allowance. The Member will be responsible for the difference between any Plan reimbursement and the full cost of Service.
- 6.04 CLAIMS FROM PARTICIPATING PROVIDERS.** Payment for Completed Covered Services provided by a Participating Provider will be made directly to the Provider. For Covered Services, Members do not have to pay any amount above what Delta Dental allows. For PPO Participating Providers, the amount Delta Dental allows is set forth in the PPO Schedule of Allowances. If the Participating Provider charges more for a Service than Delta Dental allows, that amount is not chargeable to the patient.
- 6.05 TIME FRAME FOR SUBMISSION OF CLAIM.** Delta Dental will not pay claims submitted more than 12 months after the date the Service is Completed. If a Participating Provider failed to submit a claim within this time, the Member will not be liable for the amount that Delta Dental would have paid.
- 6.06 COORDINATION OF BENEFITS.** This coordination of benefits (COB) provision applies when a person has health care coverage under more than one Plan. Plan is defined below.

The order-of-benefit determination rules govern the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the Primary Plan. The Primary Plan must pay benefits in accordance with its policy terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the Primary Plan is the Secondary Plan. The Secondary Plan may reduce the benefits it pays so that payments from all Plans do not exceed 100% of the total Allowable Expense.

**6.06.01 DEFINITIONS.** Coordination of Benefits means taking into account other Plans when paying Benefits.

**Allowable Expense** is a health care expense, including deductibles, coinsurance and copayments, that is covered at least in part by any Plan covering a Member. When a Plan provides benefits in the form of Services, the reasonable cash value of each Service will be considered an Allowable Expense and a Benefit paid. An expense that is not covered by any Plan covering the Member is not an Allowable Expense. In addition, any expense that a Provider by law or in accordance with a contractual agreement is prohibited from charging a Member is not an Allowable Expense.

The following are examples of expenses that are not Allowable Expenses:

- (1) If a Member is covered by two or more Plans that compute their Benefit payments on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology, any amount in excess of the highest reimbursement amount for a specific benefit is not an Allowable Expense.
- (2) If a Member is covered by two or more Plans that provide Benefits or Services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an Allowable Expense.
- (3) If a Member is covered by one Plan that calculates its Benefits or Services on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology and another Plan that provides its Benefits or Services on the basis of negotiated fees, the primary Plan's payment arrangement shall be the Allowable Expense for all Plans. However, if the provider has contracted with the Secondary Plan to provide the Benefit or Service for a specific negotiated fee or payment amount that is different than the primary Plan's payment arrangement and if the Provider's contract permits, the negotiated fee or payment shall be the Allowable Expense used by the Secondary Plan to determine its benefits.
- (4) The amount of any benefit reduction by the Primary Plan because a covered Member has failed to comply with the Plan provisions is not an Allowable Expense. Examples of these types of Plan provisions include second surgical opinions, precertification of admissions, and preferred Provider arrangements.

**Claim Determination Period** is usually a calendar year, but a Plan may use some other period of time that fits the coverage of the group contract. A person is covered by a Plan during a portion of a Claim Determination Period if that person's coverage starts or ends during the Claim Determination Period. However, it does not include any part of a year during which a person has no coverage under This Plan or before the date this COB provision or a similar provision takes effect.

**Closed-panel Plan** is a Plan that provides health benefits to covered persons primarily in the form of Services through a panel of Providers that have contracted with either directly or indirectly or are employed by the Plan and that limits or excludes Benefits for Services

**Custodial Parent** means a parent awarded primary custody by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than one half of the calendar year without regard to any temporary visitation.

**Order-of-benefit Determination Rules** determine whether This Plan is a Primary Plan or Secondary Plan when the person has coverage under more than one Plan.

When This Plan is Primary, its benefits are determined before those of any other Plan and without considering any other Plan's Benefits. When This Plan is Secondary, its benefits are determined after those of another Plan and may be reduced because of the Primary Plan's benefits, so that all Plan Benefits do not exceed 100% of the total Allowable Expense.

**Plan** means a Plan that provides Benefits or Services for dental care on a group basis. This includes group and blanket insurance, self-insured and prepaid Plans, automobile fault or no-fault insurance, and government Plans (except Medicaid).

**Primary Coverage** means coverage that must pay first. The Primary Plan must pay up to its full liability.

**Secondary Coverage** means coverage that pays a claim after the Primary Plan pays.

**This Plan** means, in a COB provision, the part of the contract providing the health care Benefits to which the COB provision applies, and which may be reduced because of the Benefits of other Plans. Any other part of the contract providing health care Benefits is separate from This Plan. A contract may apply one COB provision to certain Benefits, such as dental Benefits, coordinating only with similar Benefits, and may apply another COB provision to coordinate other Benefits.

#### **6.06.02 WHEN COORDINATION OF BENEFITS APPLIES.**

Coordination of Benefits applies when a Member is covered under more than one Plan. The Benefits of This Plan will be coordinated with the other Plan(s).

#### **6.06.03 RULES FOR COORDINATION OF BENEFITS.**

The rules for the order of payment are shown below.

- a) The Primary Plan pays or provides its Benefits according to its terms of coverage and without regard to the benefits under any other Plan.
- b) (1) Except as provided in paragraph (2), a Plan that does not contain a Coordination of Benefits provision that is consistent with these rules is always primary unless the provisions of both Plans state that the complying Plan is primary.

(2) Coverage that is obtained by virtue of membership in a group and designed to supplement part of the basic package of Benefits may provide supplementary coverage that shall be in excess of any other parts of the Plan provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base plan hospital and surgical benefits, and insurance type coverages that are written in connection with a Closed-panel Plan to provide out-of-network benefits.

- c) A Plan may consider the Benefits paid or provided by another Plan in determining its Benefits only when it is secondary to that other Plan.
- d) Each Plan determines its order of benefits using the first of the following rules that apply:

(1) Non-Dependent or Dependent. The Plan that covers the person other than as a Dependent, for example as an employee, Member, Subscriber, or retiree is the Primary Plan, and the plan that covers the person as a Dependent is the Secondary Plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering the person as a Dependent; and primary to the Plan covering the person as other than a Dependent (e.g., a retired employee), then the order of benefits between the two Plans is reversed so that the Plan covering the person as an employee, Member, Subscriber, or retiree is the Secondary Plan and the other Plan is the Primary Plan.

(2) Dependent Child Covered Under More Than One Plan. Unless there is a court decree stating otherwise, when a Dependent child is covered by more than one Plan, the order of benefits is determined as follows:

- (A) For a Dependent child whose parents are married or are living together, whether or not they have ever been married:
  - (i) The Plan of the parent whose birthday (month and day) falls earlier in the calendar year is the Primary Plan; or
  - (ii) If both parents have the same birthday, the Plan that has covered the parent the longest is the Primary Plan.
- (B) For a Dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:
  - (i) If a court decree states that one of the parents is responsible for the Dependent child's health care expenses or health care coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to Plan years commencing after the Plan is given notice of the court decree;
  - (ii) If a court decree states that both parents are responsible for the Dependent child's health care expenses or health care coverage, the provisions of Subparagraph (a) above shall determine the order of benefits;
  - (iii) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the Dependent child, the provisions of Subparagraph (a) above shall determine the order of benefits; or

(iv) If there is no court decree allocating responsibility for the Dependent child's health care expenses or health care coverage, the order of benefits for the child are as follows:

- The Plan covering the custodial parent;
- The Plan covering the spouse of the custodial parent;
- The Plan covering the non-custodial parent; and then
- The Plan covering the spouse of the non-custodial parent.

(C) For a Dependent child covered under more than one Plan of individuals who are not the parents of the child, the provisions of Subparagraph (a) or (b) above shall determine the order of benefits as if those individuals were the parents of the child.

(3) Active Employee or Retired or Laid-off Employee. The Plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the Primary Plan. The Plan covering that same person as a retired or laid-off employee is the Secondary Plan. The same would hold true if a person is a Dependent of an active employee and that same person is a Dependent of a retired or laid-off employee. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D.(1) can determine the order of benefits.

(4) COBRA or State Continuation Coverage. If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, Member, Subscriber, or retiree or covering the person as a Dependent of an employee, Member, Subscriber, or retiree is the Primary Plan and the COBRA or state or other federal continuation coverage is the Secondary Plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D.(1) can determine the order of benefits.
